

# WALK WISE, DRIVE SMART

Walk Wise, Drive Smart is a neighborhood-based project that is part of the Henderson County Livable and Senior Friendly Community Initiative. The program builds upon established community relationships and uses community input to guide improvements to the walkability of Hendersonville.

## Summer Walks

**May 6th - 9 am**

### **Oklawaha Greenway**

1.89 miles one way from Patton Park to Jackson Park. Double the distance for an out and back walk. The paved trail is relatively flat and handicapped accessible. Meet at Patton Park shelter next to the steel footbridge. Led by Gary Eblen.

**May 20th - 9 am**

### **Naturalist Urban Hike**

Meet at Patton Park shelter next to the steel footbridge. Led by Michele Skeele.

**June 3rd - 9 am**

### **Main Street to Hyman Heights**

2.43 mile loop. This route follows paved sidewalks. There are moderate slopes found on 8th Avenue East and in Hyman Heights. Meet at Patton Park shelter next to the steel footbridge. Led by Gary Eblen.

**July 1st - 9 am**

### **West Hendersonville Walking Route**

1.92 mile loop. This route follows paved sidewalks with minimal slopes. Meet at the Sammy Williams Center for Active Living. Led by Gary Eblen.

**August 5th - 9 am**

### **Carl Sandburg Home**

A variety of opportunities for walks of various distances. The walk from parking lot to top of Big Glassy Mountain and back is at least 3 miles with elevation gain of 600 ft on graded jeep road.

Meet at Sandburg Parking Lot. Led by Gary Eblen.

## **“Watch Out for Us” Pedestrian Safety Presentation**

**June 17th - 10:30**

**Sammy Williams Center, 301 N Justice Street**

Join us for this 30 minute presentation to learn more about how YOU can take responsibility for being a safe pedestrian.
